

CRT Pricing

Thank you for choosing to recycle.

COMPRENEW®

Recycle. Refurbish. Restart

Comprenew does charge for the recycling of **CRT (Cathode Ray Tube)** monitors and TVs.

Our pricing is based on the diagonal size of the glass part of the display screen:

14"	\$7.00
15"	\$8.00
17"	\$12.00
19"	\$20.00
24"	\$23.00
27"	\$25.00
32"	\$35.00
37"	\$45.00
42" (including projection).....	\$50.00

Instead of a landfill ban and a strong Take-back program like other states, the Michigan law has required manufacturers four small tasks. Due to the lack of accountability from this law, manufacturers have reduced the amount of recycling dollars spent in Michigan relating to the products they sell within the state. This change means that citizens, conservation districts, and municipalities will now have to pay a fee to recycle CRT devices, if they choose to recycle.
