“AFTER HOURS” CONTACT INFORMATION

Dear Colleagues:

In the event that you need to reach the Ottawa County Department of Public Health (OCDPH) after normal business hours please contact Central Dispatch at one of their two “non-emergent 911” numbers:

616-994-7850

800-249-0911

Although Central Dispatch would prefer that you use one of these two numbers, if you do not have these numbers available and the situation is urgent, you can also reach the OCDPH through Central Dispatch by dialing:

“911”

As soon as Central Dispatch receives your call the appropriate individuals from OCDPH will be notified and will return your call.

If you have further questions, please contact me at 616-494-5548.

Sincerely,

Paul A. Heidel, MD, MPH
Medical Director
Ottawa County Department of Public Health
