Ottawa County Community Action Agency

is part of a statewide effort to increase collection of the federal Earned Income Tax Credit (EITC) by eligible individuals. The EITC is a refundable federal income tax credit for low-income working individuals and families. Workers who qualify for the EITC and file a federal tax return can get back some or all of the federal income tax that was taken out of their pay during the year. Even workers whose earnings are too small to owe income tax can get the EITC. The EITC offsets any additional taxes workers may owe, such as payroll taxes.

Ottawa County Community Action Agency is offering free tax preparation assistance to low-income tax filers.
