

This Restaurant/Store Participates in the Safe Prom Initiative

We care about the safety of young adults in our community and the comfort of all guests. As responsible business operators we have become partners with local law enforcement agencies to help ensure a safe prom night for our local students and citizens.

For These Reasons:

- We check ID and will not sell alcohol to anyone under 21 years of age.**
- We will not sell alcohol to anyone who we believe is making a purchase on behalf of underage persons.**
- False ID's will be confiscated and immediately reported to the police.**
- Unusual alcohol sales or suspicious activity will be immediately reported to the police.**
- Police officers will be making frequent checks at this establishment to monitor any violators during prom season.**
