The Musketawa Trail is a 26 mile paved (12 foot wide) all-season linear park constructed on an abandoned rail line from Grand Rapids to Muskegon. Ottawa County Parks manages the 11.5 mile section of trail from the Kent County Border to the Muskegon County Border between April 1 and November 30. Trail uses include hiking, biking, roller-blading, snowmobiling and horseback riding. The Musketawa Trail was acquired and developed by the Michigan Department of Natural Resources with assistance from the Friends of the Musketawa Trail. The Musketawa Trail is a key connection to the Fred Meijer Pioneer Trail and the entire network of trails in Kent County and beyond.

For more information, visit the Friends web site at www.musketawatrail.org or contact the county parks office. A brochure is also available. Questions regarding snowmobile use and trail conditions, contact Oscar Reed at (231) 744-5731 (West Shore Snowmobile Council representative).
