Administrative Division

The function of the Administrative Division is to set objectives for the department; make plans; develop procedures; organize and reorganize; provide for staffing and equipping the department; adopt rules and regulations for the administration; discipline; equipment and uniforms of the members and officers of the department; affixing powers and duties, prescribing penalties for violations of any such rules and regulations, and providing for enforcement thereof, inspect and recommend promotion of personnel; coordinate efforts and relationships; establish policies; report on departmental activities and/or accomplishments; maintain good public and official relations; present the department budget; provide general administration to the department; and to provide adequate training of department personnel.

In addition to our main office in West Olive, our Law Enforcement Division Operations and Services operates out of small satellite offices in Grand Haven, Holland, Spring Lake, Hudsonville, Coopersville, and Marne to more efficiently service those areas of the County.

Various indicators are used to discern the effectiveness of department programs. It is important to note that the Sheriff's department does not control these indicators, but rather has an influence on them. Consequently, these measures do not tell whether or not the Sheriff's department is doing a good job, but will indicate if programs additions or changes are necessary.

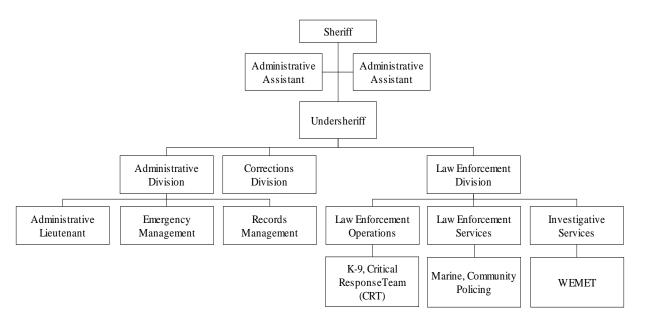

Records Unit

The function of the Records Unit is to maintain a centralization of records; to provide timely, accurate, and complete information to administrative and operational components of the department and provide maintenance of warrants; to document all civil process and subpoenas and expedite the timely service of said documents within the time prescribed by law.

Investigative Unit

The function of the Investigative Unit is to coordinate criminal investigations and investigate as necessary all criminal offenses and situations which may become criminal in nature for the purpose of apprehending, interrogating and prosecuting offenders, and recovering stolen property; interrogate arrested persons referred by Uniformed Services or Operations; investigate or arrest persons wanted for criminal offenses by other jurisdictions, and maintain investigative liaisons with other police agencies; to supply information necessary for effective operations on matters of inter-divisional interest; coordinate incoming extraditions.

Mission Statement

The mission of the Ottawa County Sheriff's Office is to protect and preserve the general safety and welfare of the county residents through effective law enforcement.

Fund: (1010) General Fund

Department: (3100) West Michigan Enforcement Team

This schedule reports the activity in six departments in the General Fund: 3113 - COPS - Holland/West Ottawa, 3119 - City of Coopersville, 3120 - City of Hudsonville, 3130 - Zoning , Enforcement, and 3170 - Blendon/Tallmadge/Holland/Zeeland (CITE). Each of these departments records a contractual arrangement between the Sheriff's department and a municipality for community policing services.

Several municipalities contract with the Sheriff's Department to provide Community Policing Services. The mission, goals, objectives and performance measures are coordinated with those of the Sheriff's department as a whole.

This department records the tax revenue collected for the Ottawa County Central Dispatch Authority (OCCDA), a component unit of the County, and the lease payments to cover the principal and interest payments on the bond issue for the E-911 Central Dispatch system. The last payment on the issue was made in the year 2009, so the entire levy is now distributed to E-911 Central Dispatch.

Budget Highlights:

Effective with the 2011 budget process, Jail Health Services, previously recorded in 1010-6039, has been combined with the Jail budget. Consequently, other services and charges expenditures have increased.

The Emergency Services department is the designated agency to coordinate disaster preparedness/response actions and recovery assistance on behalf of Ottawa County. The department performs hazards analysis, makes assessments of the response capabilities available locally and maintains an emergency operations plan to document the organization and functions of key county/local agencies in such situations (These agencies take an active role in updating these plans.) Emergency Services, by the authority of the Board of Commissioners, performs the tasks required in making disaster declarations/assistance requests to state and federal government. The department also routinely seeks ways and means to enhance local capabilities including financial assistance, performs public information/education activities, and recruits citizens for volunteer disaster response groups performing specific tasks (i.e., alternate radio liaison via amateur radio, weather spotting, and more).

Mission Statement

Enhance public safety and promote domestic preparedness through a comprehensive emergency management program that will adequately mitigate, prepare for, respond appropriately to and quickly recover from natural, technological, and terrorist-related emergencies.

In January of 2004, Ottawa County and municipalities within the County formed the Ottawa County Hazardous Materials Response and Technical Rescue Team. The team was formed to jointly own equipment and establish training for HAZMAT operations. In addition, the HAZMAT team will respond as requested to all hazardous material and technical rescue incidents in the County.

The primary function of the Animal Control Program is to investigate, as necessary, all animal-related complaints and enforce all state laws in connection with animal control. This includes issuing summons where appropriate, picking up stray animals, conducting kennel inspections, and providing education services related to animal control issues. In addition, the department is responsible for enforcing dog licensing laws, which could entail canvassing a specific area for dog licenses, as well as coordinating the dog census in conjunction with the Ottawa County Treasurer's Office. The department is also required to investigate all livestock loss complaints.

Mission Statement

Enhance public health and safety by responding to animal-related complaints and addressing the stray animal population.

Fund: 2610 Sheriff Contracts

Function Statement

This fund was originally established to record U.S. Department of Justice COPS Universal grants. All of these grants have since ended, but in most cases local municipalities and school districts now contract with the Sheriff's department to provide the same community policing services they received under the grants.

The mission, goals, objectives and performance measures are coordinated with those of the Sheriff's department as a whole (General Fund 1010, Department 3020)

Fund: 2661 Sheriff Road Patrol

Function Statement

The Sheriff Road Patrol fund was established in accordance with Public Act 416 of 1978, which provides State of Michigan funding for public safety services on secondary roads within Ottawa County. Specifically, the Sheriff's Department agrees to patrol and monitor traffic violations on County primary roads and County secondary roads along with any road or highway within the boundaries of a County park. In addition, the department agrees to investigate accidents involving motor vehicles, which includes providing emergency assistance to persons on or near a highway or road patrolled and monitored by assigned Deputies. The department is also expected to enforce the criminal laws of the State of Michigan, violations of which are observed by or brought to the attention of the Sheriff's Department while providing the patrolling and monitoring required. The mission, goals, objectives and performance measures are coordinated with those of the Sheriff's department as a whole (General Fund 1010, Department 3020).
