IV. **POLICY:**

All extraordinary/unusual incidents shall be reported, reviewed and when appropriate followed up on and/or investigated, to assure appropriate follow-up care and/or remedial action is taken to assure the safe and humane treatment of all consumers.

V. **PROCEDURE:**

- A. Employees shall report all extraordinary/unusual incidents on the "Incident Report" form (CMHOC – Incident Report). Reports shall be detailed, clear and concise, with all requested information on the form to be completed in its entirety.
- B. The employee(s) involved in the extraordinary/unusual incident will write the Incident Report within 24 hours. It is unacceptable for Incident Reports to be written by someone who was not involved in the extraordinary/unusual incident.
- C. Supervisors/employees must route all Incident Reports within three (3) business days upon receipt of the incident report in order to promote timely routing to next appropriate treatment team professionals or the Office of Recipient Rights. Remember, incident reports are seen by multiple treatment team professionals. Therefore, it is critical that incident reports are routed in a timely fashion.
- D. Incident reports, **other than suspected Abuse, Neglect, Serious Physical Injury, Death, Sexual Abuse or Criminal Offense**, involving a consumer will proceed as follows:
 1. Employees who witness, discover, or are notified of an extraordinary/unusual incident as described above shall:
 - a. Protect, comfort, and assure treatment of the consumer as necessary.
 - b. Contact the Team Leader, Team Supervisor, Program Coordinator, Program Supervisor, or Director, as applicable.
 - c. The Team Leader, Team Supervisor, Program Coordinator, Program Supervisor, or Director notified of an unusual incident shall notify the guardian or parent of a minor child, as applicable.
 - d. Document the incident in the consumer's progress notes.
 2. The Team Leader, Team Supervisor, Program Coordinator, Program Supervisor, or Director notified of an unusual incident shall:
 - a. As appropriate, take further action necessary to assure treatment, comfort, and protection of the consumer when verbally notified.
 - b. If the incident involves an injury that may require further treatment, assure immediate treatment is received.
 - c. Assure proper documentation has been entered in the consumer's progress notes.
 - d. State corrective/remedial action taken on the bottom section of the Incident Report.
- E. Incidents of serious physical injury involving a consumer(s) will proceed as follows:

1. Employees shall:
 - a. Protect, comfort, and assure treatment of the consumer as necessary.
 - b. **Immediately** notify the Team Leader, Team Supervisor, Program Coordinator, Program Supervisor, or Director.
 - c. **Immediately** notify the Office of Recipient Rights by telephone, voicemail, cellphone, fax, and/or e-mail.
 - d. Complete an incident report and give it to the Team Leader, Team Supervisor, Program Coordinator, Program Supervisor, or Director before the end of workday/shift.
 - e. Document the incident in the consumer's progress notes.
 - f. The Team Supervisor or Program Coordinator/Supervisor/Director shall assure the incident report is accurately completed and personally receive the report from the reporting person. The Team Supervisor or Program Coordinator/Supervisor/Director will forward the incident report to the Office of Recipient Rights within twenty-four (24) hours of receipt.

- F. The Rights Officer may inquire further into the situation in order to determine possible rights violations.
- G. If the incident involves a death of a consumer assure a Report of Death Form is completed and attached to the Incident Report before forwarding to the Office of Recipient Rights.
- H. Following traumatic emergencies, CMHOC's crisis team clinicians and/or the Critical Incident Stress Debriefing team will be available upon request to staff and persons served to provide support.
- I. Incident Reports or other peer review reports shall not be maintained in the medical record of a consumer.
- J. CMHOC staff may not maintain copies of Incident Reports for their personal files.
- K. Incident Reports will not be released to anyone in order to assure the confidentiality of other consumers who may be included on the Incident Report. A summary of the Incident Report(s) received for a particular consumer, with the proper releases of information in place, will be provided by the Office of Recipient Rights, upon request.
