SUBJECT: Quarterly Financial Status Report

DATE: January 9, 2024

The fourth quarter of Fiscal year 2023 financial statements for the General Fund and Mental Health Fund as well as a summary for the American Recue Plan Act (ARPA) funds and the Special Revenue funds are presented for your review. The attached schedules provide a budget to actual comparison for these funds. This memorandum is an overview intended to highlight significant trends and activities as well as provide an opportunity to discuss variances and/or events outside of the normal course of business.

General Fund 4th Quarter 2023, Period Ending September 30, 2023

Period ending revenues and expenditures are on track with the budget for the General Fund.

REVENUE

- The tax revenue for the pass-thru levy for the Road Commission and Central Dispatch are billed in December, and generally received in December, January, and February. Property Taxes for County operating purposes are billed and generally received in July, August, and September. As of September 30^{th,} the current trend is consistent with what we expect. Total amount received, as compared to budget, is consistent with the same quarter last fiscal year.
- Intergovernmental revenue is primarily comprised of the state share revenue and grant revenue. The County received an increase in the State Share revenue grant in FY23. Total amount received, as compared to budget, is consistent with the same quarter last year.
- Charges for Services revenue is primarily comprised of Indirect Administrative Services, Real Estate
 Transfer Tax and Miscellaneous Court Costs as well as Civil Infractions. The Indirect Administrative
 Services is an allocation of the central service departments expenses to all the internal departments of
 the county that are serviced. Totals reflect a comparable amount to the same quarter last year.
- Rental Income represents the amounts charged to internal departments for the use of the facilities.
- Transfer In represents funds transferred to the General Fund from other funds.
- Other revenue is comprised of donations and reimbursements as well as fines and interest on investments. The increase over last year is due to an increase in Investment Interest plus the receipt of \$6.7m in funds attributed to the PolyChlorinated Biphenyls (PCB) Settlement.
- All other revenues are in line with budgeted projections.

EXPENDITURE

- The increase in personnel is a result of the continued impact of the use of American Rescue Plan Act funds (ARPA). Last year ARPA Revenue Replacement funds were used to pay personnel expenses for the following services; Court, Prosecuting Attorney, Clerk and Public Safety.
- The significant increase in Transfers Out is due to the budgetary savings from the use of ARPA funds from the previous year which were transferred to the Board Initiatives Fund for revenue replacement projects for the County.
- Overall, appropriations are within a reasonable and historical consistent range for this time of year.

AMERICAN RESCUE PLAN ACT (ARPA) UPDATE:

Mental Health Fund 4th Quarter 2023, Period Ending September 30, 2023

Mental Health revenues and expenditures are within budgeted projections through the second quarter.

REVENUE

Medicaid revenue continues to increase compared to last year. Contributing factors include higher rates
from the Lakeshore Regional Entity (LRE) plus changes in eligibility which have increased Medicaid
membership. Additionally, a monthly member payment protocol for the distribution of Medicaid
revenues has been implemented by the LRE resulting in earlier receipt of budgeted revenues.

EXPENDITURES

- Personnel expenditures show an increase from 2022 to 2023 due to anticipated staffing salary and benefit increases, and the addition of new positions as a result of new programs being implemented. A significant portion of personnel provide direct care services.
- The increase in Client Care expenses over last year is primarily due to an increase in Contracted Services as a result of new programs being implemented.

Housing Crisis?

Housing Crisis?

If we don't address our housing shortage:

- 'New home buyers' look for jobs where they can afford to live
- Employee shortages for critical jobs
- Fewer 'move backs'
- Critical age bracket will settle elsewhere

24 Jubilee and 18 Habitat Homes

- Variety of home types
- 2 phases
 - Phase 1 complete July 2024
 - Phase 2 complete July 2025

Jubilee Funding Sources

- MSHDA Missing Middle (Reimbursement)
- Brownfield TIF (Reimbursement)
- HZCF PRI
- Individual Donations
- Bank Loan
 - Working to raise \$600,000 to eliminate need for loan.

Lakeshore Habitat Funding Sources

- Capital Campaign
- Federal Home Loan Bank Grant
- Individual & Corporate Donations
- Still need to raise \$1,781,510

Future Projects

- 12 Unit Infill in the City of Holland
 - Raising \$250,000 purchase price
- 17 Acre Parcel
 - Up to 100 new homes
 - Include a market rate builder
 - Creative ways to finance infrastructure

Opportunities for Jubilee and Lakeshore Habitat

- Faster, Faster, Faster
 - Immediate problem needs an immediate fix. We can't lose our talent to other communities.
- More/Better Corporate Participation
 - Lunch and Learn
- Efficient team size
 - Need to grow our operations budget to match the work we do

Haven Townhomes @ the corner of Beeline and Felch Homeownership for 5 adults with disabilities.

Buttermilk Creek Townhomes

- 5 affordable townhomes for sale, available to those making 30-80% of the area median income.
- Located on Prospect St. off 32nd
 Avenue in downtown Hudsonville.
 - 1,600 sq feet
 - 3 bedroom, 2 bathroom
 - Detached one-stall garage

Offering a hand up to those who need it.

Obstacles to Building More

- Lakeshore Habitat had to decline the MSHDA Missing Middle Grant
- Declining the Missing Middle grant results in being \$400,000 short on the Buttermilk Creek and Haven Townhome projects
- Development costs
 - Depending on the size of the development \$40,000 to \$60,000 can be for engineering leading up to approvals
 - Infrastructure for roads, water, sewer, etc. can cost up to \$600 per lineal foot
- There is very little, if any, grant money for homeownership and what is available is only paid after the project is complete
- Brownfield TIF works well but again is paid after projects are completed
