

# DRAIN APPEALS

1. The Ottawa County Drain Commission will set a day for review of apportionment to determine the cost to each land owner for a Drain Special Assessment District. Thereafter, if you believe your assessment is unfair, you may appeal the drain assessment pursuant to Section 155 of the Drain Code of 1956 within 10 days after your review hearing (includes weekends). The specific language is as follows:

“280.155. Bids; appeal; application for board of review, bond

Sec. 155. The owner of any land in the drainage district or any city, township, village, district or county having control of any highway which may feel aggrieved by the apportionment of benefits so made by the commissioner, may, within 10 days after the day of review of such apportionments, appeal therefore and for such purpose make an application to the probate court of the proper county for the apportionment of a board of review, by filing with said probate court a notice of appeal and at the same time filing with said court a bond in such sum as the judge of probate may required, with 1 or more sureties to be approved by the judge of probate, conditioned upon the payment of all costs in case the apportionment made by the commissioner shall be sustained. Such appeal may be taken by the county or district road commissioners on behalf of the county, the mayor of any city on behalf of the city, by the supervisor on behalf of any township, or by the president of any village on behalf of the village when authorized by the village or city council, township board or road commission, respectively. Only 1 board shall be appointed by such probate court.”

2. In accord with the above, a Notice to Appeal and Application for Appointment of Board of Review must be filled in (see below) and a filing fee of \$150 (non-refundable) paid pursuant to MCL 280.72(3); MCL 600.880(1).
3. In accord with the above, a Cash Bond for Payment of Costs form must be filled out (see below). This is a \$600 cash bond; the Probate Court can only accept payment in the form of cash. This bond is refundable if you prevail with your appeal; if not, the \$600 goes toward the costs and is non-refundable.
