2nd NOTICE OF DRAIN MAINTENANCE

February 9, 2017

Upon inspection it was determined that maintenance was needed to the **Barnett Drain** which runs thru or near your property. Earlier we sent out a letter letting you know contractors would be preparing bids for this work. The contractor has been chosen and work is planning on commencing in the next two weeks. The contractor information including a map of the drainage maintenance can be found on our website:

http://www.miottawa.org/Departments/Drain/maintenance_projects.htm

As soon as possible, please mark any and all structures in the drainage easement (invisible dog fences, underground sprinkling, sump lines/tile outlet, property corner pins, etc.). Contractors will not be held responsible for something damaged that was not marked.

Your cooperation is always appreciated in these matters. Should you have any questions, concerns, or input that you would like us to consider, feel free to contact us at 616-994-4530 or email waterresourcescommissioner@miottawa.org.

Thank You,
Chris Machiela
Drain Inspector

C: Polkton Twp
