I. **PURPOSE:** To define procedures to assure consumers have access to written and televised materials.

II. **APPLICATION:**
All Community Mental Health of Ottawa County (CMHOC) staff, volunteers, and contract agency staff as specified by contract.

III. **DEFINITIONS:**
None Applicable

IV. **POLICY:**
It is the policy of CMHOC to assure consumers in a residential or program setting are not prevented from obtaining, at his/her own expense, or from reading, written or printed material, or from viewing or listening to television, radio, recordings, or movies available at the program site for reason of, or similar to, censorship.

V. **PROCEDURE:**
A. Any restrictions or limitations of the consumer’s rights because of a behavior (restrictions, limitations or intrusive behavior treatment techniques) shall be reviewed and approved by a formally construed committee of mental health professionals with specific knowledge, training, and expertise in applied behavioral analysis.

B. Any restriction or limitation shall be justified, time-limited, and clearly documented in the plan of service. Documentation shall be included that describes attempts that have been made to avoid such restrictions as well as what actions will be taken as part of the plan to ameliorate or eliminate the need for the restriction in the future.

C. A provider may limit access to entertainment materials, information, or news only if such a limitation is specifically approved in the consumer’s individualized plan of service. A provider shall document each instance when a limitation is imposed in the consumer’s record and on an Incident Report.

D. Restrictions or limitations will be removed when no they are no longer clinically justified to achieve program objectives which justified their application.
E. A provider shall establish written policies and procedures that provide for the following:
1. Any general program restrictions on access to material for reading, listening, or viewing.
2. Determining a consumer's interest in, and provide for, a daily newspaper.
3. Any specific restrictions on a living unit or for the therapeutic benefit of the residents as a group. The "therapeutic" restrictions must be posted and cannot restrict or infringe on the rights of any consumer (i.e. limiting access to personal property, freedom of movement, etc.).

F. Material and devices beyond those made available by the program shall be acquired at the consumer's expense.

G. Minors may not have access over the objection of parent/guardian or if against state law. However, the person responsible for implementing the individual plan of service may attempt to persuade a parent or guardian of a minor to withdraw an objection to material desired by the minor.

H. Any consumer who wishes to appeal a denial of their right of access to entertainment materials, information, and news may do so by contacting the Recipient Rights Officer in order to remedy a wrongful denial.
