Beneficiary Grievances

All clients have the right to be informed about policies and procedures for grievances, complaints and appeals; and to utilize these processes.

1. If a client has a complaint about the services she/he received or has a problem with the MIHP program, the complaint shall be brought to the attention of the MIHP supervisor within 48 hours by calling 616.393.5758. Efforts shall be made to resolve the issue with the client and program supervisor within 7 working days.

2. A grievance form shall be given to the client if indicated.

3. If the client wishes to fill out a grievance form, she/he shall be informed that the grievance will be heard by the Community Health Program Manager of the Ottawa County Health Department within 7 days.

4. In the event the client is unable to be reached by telephone, a letter will be sent to the client indicating the method to address the grievance procedure with the program supervisor.

If you have a question, complaint or concern about your Maternal Infant Health Program (MIHP), please speak up. Feel free to take any of the following actions:

1. Call or write to your MIHP. If you call, ask to speak to the program coordinator. Often, the coordinator can help immediately.

2. If you are not satisfied with the coordinator’s response, or you do not wish to take your concern to the coordinator, call the Michigan Department of Health and Human Services (MDHHS). The number is 833-644-6447. Say that you have a concern about your MIHP and someone will help you. If you would rather send an email, the address is mihp@michigan.gov.

3. You may be enrolled in a Medicaid Health Plan. If so, you also have the option of contacting them with questions or concerns about your MIHP. Look for your Health Plan’s contact information in your Member Handbook.

As a MIHP participant, you have the right to:

- Choose your MIHP.
- Be treated with respect at all times.
- Receive quality care.
- Transfer to a different MIHP.
- Be fully involved in all aspects of your care.
- Refuse any services you do not wish to receive.
- Get help with any special communication needs you may have.
- Have your confidentiality protected, as required by law.
- Use your MIHP’s grievance procedure, contact MDHHS or your Medicaid Health Plan to resolve your concerns.

As a MIHP participant, you have the responsibility to:

- Keep your appointments to the best of your ability.
- Let the MIHP staff know ahead of time if you can’t keep an appointment.
- Ask questions if you don’t understand something.
- Let your MIHP staff know how they can serve you better.
- Treat your MIHP staff with respect at all times.

The Michigan Department of Health and Human Services (MDHHS) does not discriminate against any individual or group because of race, religion, age, national origin, color, height, weight, marital status, genetic information, sex, sexual orientation, gender identity or expression, political beliefs or disability.
