

Which hunt did you participate in?	My overall experience was positive.	The hunt was well organized.	The property boundaries and safety zone were well marked.	The pre-hunt meeting was useful.	I understand the purpose of the hunt.	Allowing me to take a buck after taking a doe was incentive to participate in the hunt.	Knowing that if I was successful, I automatically had a zone in 2020 was a good incentive.	Due to the rugged terrain and hiking conditions, I may not participate in the future.	I felt there was sufficient support from staff.	I am interested in participating in an archery hunt before firearm season.	I felt the zones were:	I would like to participate in this hunt in the future	Please provide any suggestions or other feedback as to how the hunt can be improved for next year.

Hunt B	Strongly agree	Strongly agree	Strongly agree	Agree	Strongly agree	Agree	Strongly agree	Strongly disagree	Agree	Strongly agree	Just right	Yes	The designation of parking areas should be more exact to maintain safety and reduce the vehicles possibly being in the line of fire. The hunt is a very appreciated and spectacular way of utilizing the public property and citizens to manage the deer population
Hunt A	Strongly agree	Strongly agree	Somewhat disagree	Strongly agree	Strongly agree	Strongly agree	Strongly agree	Strongly disagree	Strongly agree	Strongly agree	Just right	Yes	My only suggestion is to have some kind of marker between zones that don't have a good landmark dividing them.

I look forward to it so much. I love the idea of an archery hunt earlier and would be VERY happy to be a part of that! Thanks again to the great staff for all the hard work that goes into the hunt. Have a great year!!

Hunt A	Strongly agree	Strongly agree	Strongly agree	Strongly agree	Strongly agree	Strongly agree	Strongly agree	Strongly disagree	Strongly agree	Strongly agree	Just right	Yes	I think the hunt is planned very well and really does not need improvements. I think an archery hunt would be perfect. The only issue I had with the hunt this year is I did have two separate events which a homeowner on the street to the West was walking there dog in the woods during the hunt period on Friday. When I alerted them of my location they both immediately retreated back toward the private property but were whistling and yelling at their dogs to also retreat.
Hunt B	Strongly agree	Strongly agree	Strongly agree	Strongly agree	Strongly agree	Agree	Strongly agree	Strongly disagree	Agree	Neither agree nor disagree	Just right	Yes	Thank you for the opportunity. The hunt was very well planned and managed, and a great experience overall. Based on the number of deer seen during the hunt, it's evident why population management is needed and I'm glad I was able to help out.

Hunt A	Strongly agree	Strongly agree	Agree	Strongly agree	Strongly agree	Strongly agree	Strongly agree	Strongly disagree	Strongly agree	Strongly agree	Just right	Yes	More alternates should be on file to fill in vacant spots.
Hunt B	Strongly agree	Strongly agree	Strongly agree	Strongly agree	Strongly agree	Strongly agree	Strongly agree	Strongly disagree	Strongly agree	Strongly agree	Just right	Yes	Not much could improve the way the hunt is run, its safe fun and a great opportunity to lower the deer population in the area. Consider doing a youth hunt in September during the youth season this area would be an amazing opportunity to get the young hunters involved in deer hunting, sure you could get adults to take a young hunter and teach them a new sport.

Hunt B	Agree	Somewhat agree	Somewhat agree	Strongly agree	Strongly agree	Strongly agree	Strongly agree	Strongly disagree	Strongly agree	Strongly agree	Just right	Yes	Mark the zones better somehow would be very helpful. Need more people at trail head to keep people from walking three during the hunt.
Hunt A	Strongly agree	Strongly agree	Strongly agree	Agree	Strongly agree	Agree	Strongly agree	Disagree	Strongly agree	Strongly agree	Just right	Yes	There needs to be an extra effort to keep non-hunters off of the property during the hunt. An early archery hunt is an excellent idea !

Hunt A	Strongly agree	Strongly agree	Somewhat agree	Agree	Agree	Agree	Agree	Strongly disagree	Strongly agree	Strongly agree	Just right	Yes	Improved marking of unofficial trail entries - had one walker in the middle of my zone. Evaluation of if population goals are being reached, adjusting the rules so that taking a buck first/only isn't against the rules but just not a ticket to return the next year? More days/archery hunting would be great!

Hunt B	Strongly agree	Strongly agree	Strongly agree	Strongly agree	Strongly agree	Strongly agree	Strongly agree	Strongly disagree	Strongly agree	Strongly agree	Just right	Yes	I felt the Hunt was run smoothly and well thought out. The only improvement I could see is adding an archery hunt.
Hunt B	Strongly agree	Strongly agree	Agree	Agree	Strongly agree	Strongly agree	Strongly agree	Strongly disagree	Agree	Strongly agree	Just right	Yes	I think Melanie, and her staff did a phenomenal job organizing the hunt and keeping everything flowing as smooth as possible. I know it's been addressed, but the people walking into the park during the hunt was really bad Saturday. I had Zone A next to hoffmaster and people were non stop on the trails in the northern part of my zone.
