| Season One: 10/12/2020 - 11/14/2020 | Crockery Creek | 6-10 days | 1-5 | 3:30- 6:30PM | No | | | | Lots of ducks and a few duck hunters | I hunted about 75 yards from the creek | Yes | No | Yes | about half the time | Maybe not so many hunters in each draw. I had another Hunter put up a stand 35 yards from me. |
| Season One: 10/12/2020 - 11/14/2020 | Crockery Creek | 6-10 days | 1-5 | 3-7pm | No | | | | | | Yes | No | Yes | Every other time | Less number of hunters |
| Season One: 10/12/2020 - 11/14/2020 | Crockery Creek | 11-15 days | 1-5 | 2-6 pm | No | | | | | | Yes | No | Yes | 2 times | Both of us would love to see a point restriction on bucks like 8 pt and bigger. Hunters could still shoot does if they wanted to but have a point restriction on bucks would make all the properties even more desirable. |
| Season One: 10/12/2020 - 11/14/2020 | Upper Macatawa Natural Area | 1-5 days | 1-5 | 3-6pm | Yes | Buck | 90 | 0 | Snapping turtle, wood ducks | I harvested a button buck (antlerless) on the northeast side of the property, near the parking lot. | Yes | No | No | | Moonshot idea, but when I hunted timberland ground out west (Washington State) they'd send you a gate key to unlock the gates. What if you did that for the Park gates, but provided a combination to a dial lock instead of a key. This way hunters could drive-in early in the morning, and drive out later at night after the gates are routinely closed. I harvested a deer just before dark and was lucky enough that the guy in charge of the gate was nearby to open in for me to drive in and pick up my deer. The alternative would have been to drag the deer 1/2 mile. |

| Season Two: 12/1/2020 - 1/1/2021 | Stearns Creek | 11-15 days | 1-5 | 7am to 12pm and 230pm to dark. | No | | | Beaver in streams creek. A very friendly red fox. | Both sittings were 300 yards north east of the parking lot. On the edge of streams creek. | | Yes | No | Yes | Very time i was out hunting | At streams creek. The trail system runs the property lines. So it is difficult to stay away from other park users. Unless the hunter goes to the back corner. That is were most of the other hunter's stands and traffic were. |
| Season Two: 12/1/2020 - 1/1/2021 | Stearns Creek | 1-5 days | 1-5 | 9 A.M - Noon | No | | | | | | Yes | No | Yes | Each time I was there, non-hunters were present | Sign on two-track south of storage building says "One way". Would be better if traffic could move both ways along there. |
| Season Two: 12/1/2020 - 1/1/2021 | Upper Macatawa Natural Area | 0 days | | None | No | | | Bald Eagles | North of Byron Road across from the intersection of Byron Road and 76th. | | Yes | No | No | | |
