| Season Two: 12/1/2021 - 1/1/2022 | Stearns Creek | 1-5 days | 1-5 | 3:30-5:30pm | No | | | | Yes (please describe) | Big Coyote on Camera | I hunted the South East corner of the property, which I consider the only huntable spot on the property. | Yes | No | Yes | Every time | I think Stearns park is pretty tough to have a hunt. It is an extremely popular park which is good, but I had a trail cam up for 3 weeks and zero daylight pics. It may be better early season. Awesome park for hiking and dogs, not so much for hunting. |
| Season Two: 12/1/2021 - 1/1/2022 | Upper Macatawa Natural Area | 1-5 days | 0 | 7am-10am | No | | | | No | | | Yes | No | Yes | once | It was good |
| Season Two: 12/1/2021 - 1/1/2022 | Crockery Creek | 0 days | 0 | I WAS UNABLE TO HUNT DO TO COVID | No | | | | No | | | Yes | No | No | | The opportunity was great but because I contracted Covid I could not hunt. I could not stop coughing long enough to get near to any wildlife. |
| Season Two: 12/1/2021 - 1/1/2022 | Stearns Creek | 0 days | | Didnt end up hunting out there | No | | | | No | | | Yes | No | Yes | Only scouted the property one day, on that day, i saw 2 groups of people with 3 or less | Maybe close the park during the hunting dates. If the goal is to remove the deer, the people and dogs spook the deer during daylight. All the deer i had on camera were at night |

| Season One: 10/14/2021 - 11/14/2021 | Upper Macatawa Natural Area | 11-15 days | 6-10 | 7AM-8PM | No | | | | Yes | I witnessed a red tail hawk catch a squirrel. Able to observe a mature buck bedded with a doe at beginning of the rut | Funnel at edge of wood line to cattail marsh. An inside bend of the macatawa river | No | No | Yes | Almost daily | Not at this time |
| Season One: 10/14/2021 - 11/14/2021 | Upper Macatawa Natural Area | 11-15 days | 1-5 | 4.30-dark | Yes | Buck | 120lbs | 4 | Yes | Seen a groundhog and a Hawk. | I spent most of my time on the West side near a swamp. | Yes | No | Yes | I seen hikers and bikers everytime I went out. | I would like to see a start date of October 1st for the first hunt. |
| Season One: 10/14/2021 - 11/14/2021 | Crockery Creek | 11-15 days | 6-10 | 6:30-11:30 | Yes | Buck | 150 | 5 | No | | | Yes | No | Yes | I saw hikers nearly everything time I was on the property. | It would be nice to have to details about how many hunters were selected for each hunt. Overall an excellent hunt. |

The other hunter was accessing the property from a house nearby, I called the DNR, not sure if anything ever came of it | It was fun, I enjoyed hunting a new area. |
| Season Two: 12/1/2021 - 1/1/2022 | Upper Macatawa Natural Area | 11-15 days | 1-5 | 7-10 AM, 3- 5:30 PM | Yes | Buck,Do e | 175 Lbs | 10 | No | | | Yes | Yes | Yes | I encountered non-hunters on every hunt. I encountered other hunters on multiple occasions. | No suggestions as I feel the hunt is well done. My only concern is the amount of gun blinds boarding the park's property lines and I am sure they are hunting the park as well. |
| Season One: 10/14/2021 - 11/14/2021 | Stearns Creek | 11-15 days | 1-5 | 7-11 | No | | | | No | | | Yes | No | Yes | Daily -multiple times | Limit hunter harassment from non hunters. Walkers/hikers were purposely walking around me numerous times. I even moved to different area within hunting area still had them "follow" me. Access gate to open earlier for time to allow for hunting setup to occur |
