This proposal will allow the school district to continue to levy the statutory rate of not to exceed 18 mills on all property, except principal residence and other property exempted by law, required for the school district to receive its revenue per pupil foundation allowance.

Shall the limitation on the amount of taxes which may be assessed against all property, except principal residence and other property exempted by law, in Hudsonville Public Schools, Ottawa and Allegan Counties, Michigan, be increased by 18 mills ($18.00 on each $1,000 of taxable valuation) for the year 2020, to provide funds for operating purposes; the estimate of the revenue the school district will collect if the millage is approved and levied in 2020 is approximately $5,300,000 (this is a renewal of millage that expired with the 2019 tax levy)?
Shall Kenowa Hills Public Schools, Kent and Ottawa Counties, Michigan, borrow the sum of not to exceed Sixty-Seven Million Dollars ($67,000,000) and issue its general obligation unlimited tax bonds therefor, in one or more series, for the purpose of:

erecting, furnishing and equipping additions to school buildings; remodeling, furnishing and refurnishing and equipping and re-equipping school buildings; acquiring, installing, equipping or re-equipping school buildings for instructional technology; purchasing school buses; and preparing, developing, improving and equipping playgrounds and sites?

The following is for informational purposes only:

The estimated millage that will be levied for the proposed bonds in 2020, under current law, is .96 mill ($0.96 on each $1,000 of taxable valuation) for a .26 mill net increase over the prior year's levy. The maximum number of years the bonds of any series may be outstanding, exclusive of any refunding, is twenty-five (25) years. The estimated simple average annual millage anticipated to be required to retire this bond debt is 2.56 mills ($2.56 on each $1,000 of taxable valuation).

The school district does not expect to borrow from the State to pay debt service on the bonds. The total amount of qualified bonds currently outstanding is $67,725,000. The total amount of qualified loans currently outstanding is $-0-. The estimated computed millage rate may change based on changes in certain circumstances.

(Pursuant to State law, expenditure of bond proceeds must be audited and the proceeds cannot be used for repair or maintenance costs, teacher, administrator or employee salaries, or other operating expenses.)
